Kuhmo, a town on the eastern border of Finland, 600 km north of Helsinki, is widely known for its world-class chamber music festival, the Finnish national epic Kalevala and wild brown bears. On this trip you can experience interesting works of visual arts, history and culinary treats.

Our cosy hotel is located by the shore of Lake Lammasjärvi, three kilometres from the centre of Kuhmo. The distance between town centre and the hotel will be covered daily by bicycles or by prearranged transport. The hotel has 47 individually decorated rooms, restaurant, terrace and sauna department.

Next summer, Kuhmo Chamber Music and Kuhmo Music Courses will be organized for the 57th time from 11 to 24 July 2027. The theme of the festival is Revolution. The program and artists will be announced in January 2027. The summer's new composition commissions will come from Heta Aho and Marzi Nyman. Around 100 international artists will come and perform in Kuhmo.
